Sun™ Learning CD-ROM

Welcome to Sun's family of self-paced training courses, which combine an interactive learning experience and expert instruction from Sun Services. The course content delivered on this CD-ROM uses the functionality and features of your favorite Internet browser. In addition, Sun's CD-ROM learning products enable you to:

- Choose the learning atmosphere – Select the time, place, and pace at which you learn.
- Test your comprehension – Complete practice exercises and quizzes in each module.
- Select specific topics – Use the course navigation bar for easy navigation and selection of topics.

Using The Sun™ Learning CD-ROM

To use this CD-ROM on:

JDS, Solaris, or Windows 98 – SE platforms, follow these steps:

1. Put the CD-ROM into the CD-ROM drive of your computer.
2. A CD-ROM window will open. Locate the index.html file.
3. Open the index.html file by double clicking on the file, or by right mouse selecting the file, then click Open.

Macintosh platform:

To use this CD-ROM on a Macintosh platform you will be required to run Firefox as the browser. This CD-ROM will not function using other browsers on a Macintosh platform. To launch the course and allow the Flash movie to play from the CD-ROM, follow these steps:

1. Press and hold down Ctrl key, left mouse click on the course (or Flash movie) that opens. A submenu will open.
2. Click Settings to access the Macromedia Flash Player Settings. You will be asked whether you will allow macromedia.com to access your camera and microphone. Click Always Allow.
3. Click Advanced. A new browser window will open to the Global Settings Manager at the macromedia.com site.
4. Click Website Privacy Settings. Select Always Allow.
5. Click Global Security Settings, enable check mark in box labeled Always Ask.

Windows XP or 2000 platform, follow these steps:

1. Put the CD-ROM into the CD-ROM drive of your computer. The CD-ROM should start automatically.
2. If the CD-ROM does not start automatically within Windows, open one of the supported Web browsers listed under Web Browser Requirements.
3. From the Browser Menu, click File / click Open / click Browse button.
4. Navigate to the root directory of the CD-ROM and locate the "index.html" file. Click index.html. Click Open.
5. In the Open window, click OK to launch the course.

Windows XP, ONLY if Service Pack 2 is installed, follow these steps:

If Service Pack 2 is installed and if you get Security Warning Messages about "using Active Content from the CD-ROM" when launching and navigating through the Java courseware, follow these steps to disable the warning messages and correct the problem.

1. From Internet Explorer, click Tools, click Internet Options tab, click Advanced tab. Scroll down to Security section, enable check mark in box labeled "Allow active content from CDs to run on My Computer."
2. From Internet Explorer, click Tools, click Internet Options tab, click Privacy tab. In the Pop-up Blocker section disable check mark in box labeled "Block pop-ups".

Web Browser Requirements:

Operating System	Web Browsers
Solaris 8 and later	Mozilla 1.7 and later
JDS	JDS version 2 and later
Linux	Mozilla 1.7 and later
Mac OS 10.1 and later	Firefox 1.0 and later
Windows 98 – Windows SE	Mozilla 1.7 and later Netscape 7.1 and later Internet Explorer 6.0 Service Pack 1 and later
Windows 2000 – Windows XP	Mozilla 1.7 and later Netscape 7.1 and later Internet Explorer 6.0 Service Pack 1 and later

All Web browsers must have this plug-in and these settings enabled for full functionality:

- Java enabled
- JavaScript enabled
- Flash Player plug-in version 6 or later (Flash 8 is currently the most recent version and is recommended).

NOTE:

- Disable all pop-up blockers on the machine.

Troubleshooting Tips

Problem	Solution
Nothing happens when I place the CD-ROM into the CD-ROM drive.	Open a Web browser, and access File from the browser menu located in the upper left corner of the browser. Select the File Open menu item and browse to the <code>index.html</code> file on the CD-ROM. Open this file with the browser.
The menu items on the CD-ROM do not work, or some of the items on the CD-ROM are not functioning.	This is due to problems with how the CD-ROM works with the Web browser you are using. If you experience any functionality problems when using the Mozilla or Netscape 7 browsers, close all instances of the browser and then restart the browser. The problems should be resolved. If you are using a different browser, download and install the latest version of the Mozilla browser for your platform from http://www.mozilla.org to obtain the best CD-ROM viewing experience. If you are still experiencing problems even though you are using one of the recommended browsers, contact the support site for assistance.

Product Support

To order a catalog, contact your local sales representative, or in the U.S., call Sun Services at 1-800-422-8020.

If you have technical support issues, contact Sun Learning CD-ROM Support at ses-cdrom-support@sun.com

For other support questions, visit Sun's Technical Support Center Web site at: <http://www.sun.com/service/contacting/solution.html>.

For additional application support, see the online help included with the course.

SUN MICROSYSTEMS, INC. OR ITS APPROPRIATE LOCAL AFFILIATE ("SUN") IS WILLING TO LICENSE THE ACCOMPANYING SOFTWARE TO AN INDIVIDUAL OR ENTITY ("YOU" OR "LICENSEE") ONLY UPON THE CONDITION THAT LICENSEE ACCEPTS ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT AND ANY PROVIDED SUPPLEMENTAL LICENSE TERMS (COLLECTIVELY "AGREEMENT"). READ THE TERMS OF THIS AGREEMENT CAREFULLY BEFORE OPENING THE SOFTWARE MEDIA PACKAGE. BY OPENING THE SOFTWARE MEDIA PACKAGE OR USING THE SOFTWARE, YOU AGREE TO THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL THESE TERMS, PROMPTLY RETURN THE UNUSED SOFTWARE TO YOUR PLACE OF PURCHASE FOR A REFUND OF THE LICENSE FEE PAID, IF ANY.

1. LICENSE TO USE. Sun grants you a non-exclusive and non-transferable license for the internal use only of the accompanying software and documentation and any error corrections provided by Sun (collectively "Software"), by you or, for an entity, by the number of users and the class of computer hardware for which the corresponding fee has been paid. If no fee has been paid and Software is a demonstration copy only, then Licensee may only use Software on the computer system and at the location on which it was originally installed. If Licensee is an individual, this License cannot be sold or otherwise transferred to any other individual or entity under any circumstances.

2. RESTRICTIONS. Software is confidential and copyrighted. Title to Software and all associated intellectual property rights is retained by Sun and/or its licensors. Except as specifically authorized in any Supplemental License Terms, you may not make copies of Software, other than a single copy of Software for archival purposes. Unless enforcement is prohibited by applicable law, you may not modify, decompile, or reverse engineer Software. You acknowledge that Software is not designed, licensed or intended for use in the design, construction, operation or maintenance of any nuclear facility. Sun disclaims any express or implied warranty of fitness for such uses. No right, title or interest in or to any trademark, service mark, logo or trade name of Sun or its licensors is granted under this Agreement.

3. JAVA PLATFORM INTERFACE. For classes contained within the "Java" package or any subpackages of the "Java" package (the "Java Platform Interface" or "JPI"), Licensee may not modify the JPI by creating additional classes within the JPI or otherwise causing the addition to or modification of the classes in the JPI. In the event that Licensee creates any Java-related API and distributes such API to others for applet or application development, Licensee must promptly publish broadly, an accurate specification for such API for free use by all developers of Java-based software.

4. DISCLAIMER OF WARRANTY. Software is provided "AS IS." Your exclusive remedy and Sun's entire liability under this Agreement will be at Sun's option to replace the Software or refund the fee paid for Software, if any. UNLESS SPECIFIED IN THIS AGREEMENT, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT ARE DISCLAIMED, EXCEPT TO THE EXTENT THAT THESE DISCLAIMERS ARE HELD TO BE LEGALLY INVALID.

5. LIMITATION OF LIABILITY. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL SUN OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF SUN HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In no event will Sun's liability to you, whether in contract, tort (including negligence), or otherwise, exceed the amount paid by you for Software under this Agreement.

6. TERMINATION. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of Software. This Agreement will terminate immediately without notice from Sun if you fail to comply with any provision of this Agreement. Upon Termination, you must destroy all copies of Software.

7. EXPORT REGULATIONS. All Software and technical data delivered under this Agreement are subject to US export control laws and may be subject to export or import regulations in other countries. You agree to comply strictly with all such laws and regulations and acknowledge that you have the responsibility to obtain such licenses to export, re-export, or import as may be required after delivery to you.

8. U.S. GOVERNMENT'S RESTRICTED RIGHTS. If Software is being acquired by or on behalf of the U.S. Government or by a U.S. Government prime contractor or subcontractor (at any tier), then the Government's rights in Software and accompanying documentation will be only as set forth in this Agreement; this is in accordance with 48 CFR 227.7201 through 227.7202-4 (for Department of Defense (DOD) acquisitions) and with 48 CFR 2.101 and 12.212 (for non-DOD acquisitions).

9. GOVERNING LAW. Any action related to this Agreement will be governed by California law and controlling U.S. federal law. No choice of law rules of any jurisdiction will apply.

10. SEVERABILITY. If any provision of this Agreement is held to be unenforceable, this Agreement will remain in effect with the provision omitted, unless omission would frustrate the intent of the parties, in which case this Agreement will immediately terminate.

11. INTEGRATION. This Agreement is the entire agreement between you and Sun relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the term of this Agreement. No modification of this Agreement will be binding, unless in writing and signed by an authorized representative of each party.
