

## LIMITED WARRANTY

Neither ShareData, Inc., nor any dealer or distributor makes any warranty, express or implied, with respect to the manual, the disk(s) or any related item, their quality, performance, merchantability, or fitness for any purpose. It is the responsibility solely of the purchaser to determine the suitability of the products for any purpose.

However, to the original purchaser only, ShareData, Inc. warrants that the medium on which the program is recorded shall be free from defects in materials and workmanship under normal use and service for a period of ninety (90) days from the date of purchase. If during this period a defect should occur, the product may be returned to ShareData, Inc. along with proof of purchase and a brief description of the defect, and ShareData, Inc. will replace or repair the product at ShareData, Inc.'s option without charge to you, provided the returned media has not been subjected to misuse, damage or misapplication of the product. If at any time after the initial 90 day period your media becomes defective, the media may be returned to ShareData, Inc. and we will replace the disk(s) for a \$6.00 service charge plus \$1.00 for shipping and handling PER SOFTWARE TITLE. To ensure identification as the original purchaser, please complete and mail the attached Warranty Registration Card.

In no event will ShareData, Inc. be held liable for direct, indirect, consequential or incidental damages resulting from any defect or omission in the manual, or other related items and process, including, but not limited to any interruption of service, loss of business, anticipated profit, or other consequential damages.

## COPYRIGHT NOTICE

The user of this product shall be entitled to use the product for their personal use, but shall not be entitled to sell or transfer reproductions of the software, manual or related materials to other parties in any way, nor to rent or lease the product to others without the prior written permission of ShareData, Inc.

## **CLASSIC CONCENTRATION**

### **For TANDY/IBM PC, XT, AT & 100% compatibles**

Computer Classic Concentration is challenging and exciting, just like its television counterpart. Play with a friend or pit your skills against a computer-selected opponent.

### **LOADING INSTRUCTIONS**

1. Boot DOS version 2.11 or greater
2. Insert this disk in disk drive with label UP.
3. At the A> prompt, type CLASSIC and press RETURN.

### **SETTING UP THE GAME**

After the initial screen is displayed, you are able to select the number of players.

One Player Game                      —Press 1

Two Player Game                     —Press 2

If you select a one player game, your opponent will be selected by the computer.

There are four different characters to choose from. If you want a different character, press Y until you see one you like. Press N to keep a character.

After entering your name, press RETURN.

### **PLAYING THE GAME**

The object of the game is to try and solve the puzzle by matching prizes on the game board to uncover pieces of the puzzle.

Pay attention to where each prize is located so that you will be able to match it with its twin during your turn. (No fair writing it down!)

A piece of the puzzle is shown at the start of the game.

Choose two squares by using the cursor arrows to move the cursor to the desired square. Press RETURN. The prize will be revealed.

If you match two prizes, two pieces of the puzzle are uncovered.

A Wild Card is an automatic match and three puzzle pieces are uncovered.

If you match two Wild Cards you win \$500. You are allowed to pick one more square and four puzzle pieces are uncovered.

If you can't solve the puzzle yet, press N. You can pick two more squares.

When you can solve the puzzle, press Y. Type the answer to the puzzle and press RETURN.

If your answer is incorrect, the game will continue until someone solves the puzzle or all of the puzzle pieces have been uncovered.

If your answer is correct, you will hear bells. The entire puzzle is displayed.

Press Space Bar to continue.

### **PLAYING THE FINAL ROUND**

The contestant who correctly solves the puzzle goes on to play the Final Round.

The object of the Final Round is to try and match all of the squares on the game board. Each square contains the name of a car.

You have 35 seconds to match all of the cars. If you match all of the cars in time, you will "win" the last car matched. Beware: There are an odd number of squares!

If you do not match all of the cars in time, 5 seconds is added to the time allowed until someone wins the Final Round.

Press Space Bar to begin the Final Round. Good Luck!
