> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

The New Discovery Sport is the first in a new generation of Land Rover SUV design. This is a modern, relevant and compelling vehicle, with its well-proportioned compact body and purposeful stance. Its distinctive silhouette and beautifully sculptured surfaces all combine to create a vehicle that truly connects on an emotional level.

OVERVIEW

SPECIFICATION

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

Signature features include a clamshell bonnet and distinctive two-bar grille with hexagonal mesh. Characteristic design cues complement the perfectly balanced proportions. Smoothly contoured body surfaces, strong and dynamic lines, and robust detailing including rugged skid plates signal New Discovery Sport's incredible breadth of capability. The fast bonnet line with a pronounced step into the rising belt line conveys a dramatic stance, while the roof tapers subtly downwards, adding extra dynamism.

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

The desirability of the exterior design continues into the cabin with bold horizontal and vertical lines. Complemented by clean surfaces, superb finishes and optional premium leathers to promote what is a highly versatile package. Inside and outside seamlessly blend into a vehicle that clearly communicates its Discovery DNA, whilst firmly looking forward.

New Discovery Sport gives maximum performance in even the most challenging conditions. Terrain Response® adapts the responses of the vehicle's engine and gearbox to optimise your drive and comfort. The vehicle feels sure-footed no matter what the terrain or the weather.

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

New Discovery Sport has all the advances you'll need to make driving a real pleasure. Features such as Dynamic Stability Control, Roll Stability Control and Corner Brake Control actively monitor the vehicle's behaviour delivering the most assured, confident drive imaginable so you always feel in control.

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

New Discovery Sport bristles with technologies that enhance the vehicle's performance and capabilities. One such feature is Hill Descent Control (HDC®); which automatically controls your descent speed on steep gradients. Whilst Hill Start Assist ensures you don't roll backwards as you pull away on an incline.

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

Family and friends keen to get out there and make the most of a new day? The New Discovery Sport has been designed and engineered to meet any challenge. With its flexible seating which, when stored flat gives a load floor that is as long as a Range Rover and a maximum loadspace of 1,698 litres, it accommodates passengers and their kit with ease.

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

Versatility and connectivity are quite naturally of paramount importance. That's why, apart from being generously proportioned and beautifully styled, the seats can be configured to provide greater capacity. And optional WiFi and USB charging sockets are available in all seating areas. Even when you're out and about, you can stay in touch, in control and in the utmost comfort.

ABOVE & BEYOND

> FIND A DEALERSHIP

> BUILD YOUR OWN

OVERVIEW

SPECIFICATION

One look tells you this isn't the usual seating configuration or loadspace. The second row bench with 60:40 slide and recline and 40:20:40 folding section is both comfortable and spacious because the seats can travel 160mm forward and back. In fact, when fully rearward, the second row offers similar legroom to that of a Range Rover. The third row, with its simple, single-handed 50:50 deployment, has been incorporated without compromising the exterior design, so you can make the most of having more space and seating options than ever.

Personalising the exterior

For an even more striking effect the New Discovery Sport can be further personalised with the optional Black Design Pack*. Emphasising the assertive, confident stance of the vehicle, the Black Design Pack makes Discovery Sport your own.

The Black Design Pack includes the following: Santorini Black contrast roof**, Narvik Black grille, fender vents and mirror caps with Black ‘DISCOVERY’ bonnet script, tailgate badging and 20 inch ‘Style 511’ Gloss Black alloy wheels.

*Not available on Loire Blue vehicles.
**Barolo Black and Santorini Black vehicles maintain body coloured roof.
Note: Selecting Black Pack adds body coloured door handles on HSE Luxury.

Autonomous Emergency Braking

Autonomous Emergency Braking helps further enhance the active safety aspects of Discovery Sport. Using a forward-facing digital camera, the system detects objects and automatically reduces impact speed if it calculates that a collision is likely. The driver is alerted of the risk by a visual and audible warning signal.

Parallel Park, Parking Exit and Perpendicular Parking

Optional Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Parking Exit provides the same assistance to manoeuvre out of the space. Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Pedestrian Protection System

Discovery Sport features a state-of-the-art pedestrian airbag system. Designed and tested to the most rigorous standards including advanced virtual and real-world situations, it protects pedestrians from impact with the base of the windscreen by using an airbag mounted within a cover found at the trailing edge of the bonnet panel.

Adaptive Xenon Headlamps

With their signature design, these optional distinctive LED lights combine distinctive looks with real capability. Adaptive Xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

Panoramic Roof

The optional full glass fixed panoramic roof enhances the sense of space in the vehicle's interior and floods it with natural light. To maintain a comfortable interior temperature and to provide a sense of privacy, the toughened glass has a dark tint to offer a high degree of solar protection. When additional shade or privacy is required, an electric fabric sun blind can be extended across the full surface of the glass roof.

Powered Tailgate

This optional feature allows the tailgate to be opened using the key fob, a switch on the facia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

OVERVIEW

SPECIFICATION

Climate Front Seats

For the ultimate comfort whatever the temperature, climate front seats are available. This option provides both heated and cooled ventilation through perforations in the leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.

Eco Mode

An optional driver-selected feature which prioritises the most efficient vehicle settings including auto transmission*, and comfort features like heating and air conditioning in order to minimise fuel consumption and CO₂ emissions.

Dual View Touch-Screen†

This optional technology enables both the driver and front passenger to view independent display content via the Touch-screen. For example, while the driver is guided by the navigation system, the front seat passenger can watch a DVD.

Customer Configurable Mood Lighting

New levels of ambient refinement and personalisation have been reached with the option of Customer Configurable Mood Lighting. Using a combination of coloured LEDs, this feature allows occupants to vary the shade, changing the ambience of the cabin to suit their mood. There are five colours in total to suit every taste and mood, ranging from white through to moon light and red.

*Where fitted.

**Not available in all markets please contact your nearest Land Rover Retailer for more information.

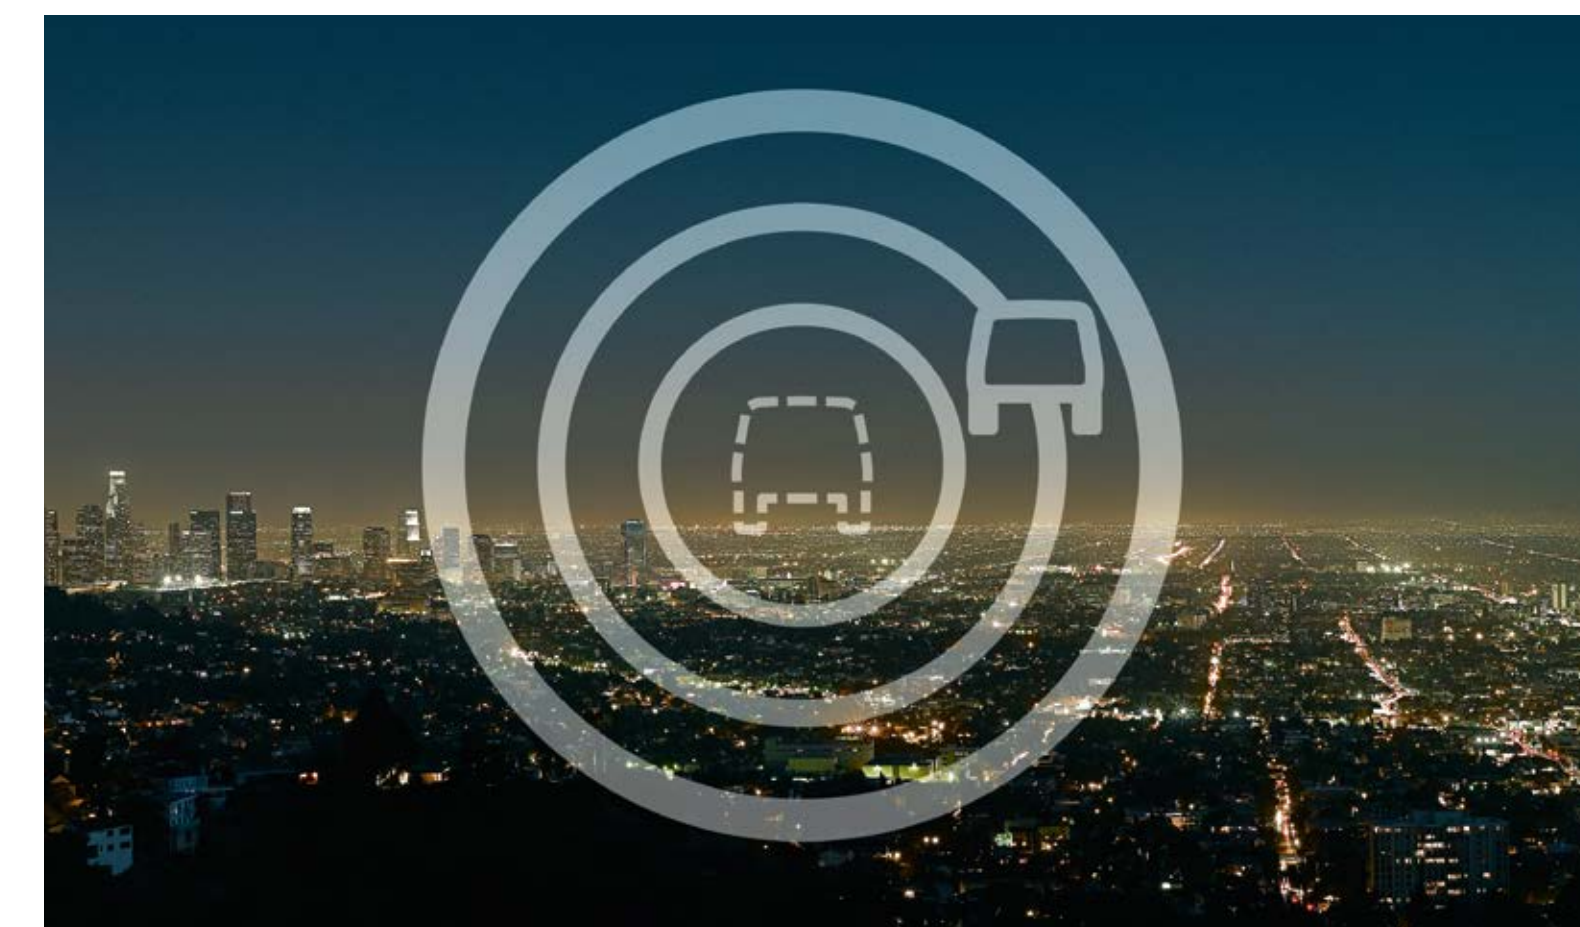

†Available with Entertainment Pack.

Meridian™ Audio System†

The optional Meridian Audio System delivers superb sound and is noted for its excellent reproduction quality from all sources – radio, CD, iPod or USB.

The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

InControl™ Remote and Secure for Warranty Period

Land Rover InControl™ Remote (standard) and Secure (optional) for warranty period are features which use in-vehicle mobile technology to safely and securely connect your world, your Land Rover and your services. Use the smartphone app to check the status of your vehicle wherever you are and have the reassurance of emergency help if required from SOS Emergency Call and Optimised Land RoverAssistance. If your vehicle is stolen, InControl Secure enables it to be tracked aiding recovery.**

VPLCS0296 – Tailgate (not shown)

Easy to install or remove these sun blinds provide increased comfort helping to protect passengers from heat and glare of the sun. Three versions available for the second row, third row passenger side windows and the rear tailgate.

Seat Back Stowage

VPLVS0182 – Premium

VPLVS0181 – Standard (not shown)

Convenient stowage system manufactured from the same grade of Windsor leather available in the interior, for the rear of the front seats provides multiple compartments for stowing small items. The premium seat back stowage also features a soft touch interior lining and magnetic clasps.

Roof Rails

VPLCR0137 – Silver finish (panoramic roof)

VPLCR0133 – Silver finish (fixed roof)[†]

VPLCR0136 – Black finish (panoramic roof)

VPLCR0132 – Black finish (fixed roof)[†]

Roof rails facilitate easy fitment of cross bars. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 75kg.**

Cross Bars

VPLCR0131

T-track design utilises the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimises drag and noise. Roof rails not included.

iPad® Holder

VPLVS0165 – iPad®^{††}

VPLVS0164 – iPad® 1

Provides secure mounting for your iPad®. Rear seat facing, attaches to the head restraint posts.

Loadspace Rails

VPLCS0303

Loadspace Rails enable a number of convenient carrying accessories. The Luggage Retention Kit consists of a retractable strap with inertia reel, telescopic rod and stowage bag that fix into the loadspace rails via a quick lock/quick release system.

Luggage Retention Kit

VPLVS0125

Roof Box*

VPLWR0100 – Large Sports Roof Box – 430l capacity*

VPLVR0061 – Sports Roof Box – 320l capacity* (not shown)

VPLVR0062 – Luggage Roof Box – 410l capacity* (not shown)

Available in a range of sizes, all versions can be mounted either side for kerbside opening and include integral locks for security. Maximum payload 75kg.**

*Roof rails and cross bars are required for all Land Rover roof mounted accessories.

Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted. **Maximum payload equals the load capacity of the roof mounted accessory. [†]Vehicles with a fixed roof require separate ditch finishers, colour matched to the rails. Part No. Silver – VPLCR0135 and Black – VPLCR0134. ^{††}Compatible with 2nd, 3rd and 4th generation iPads®.

Not compatible with iPad Air™ or iPad Mini™. iPad® is a registered trademark of Apple Inc., registered in the US and other countries. Please note: The design of accessories is subject to change and may differ from the images shown.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Retailers within one month or 1,600 kilometres/1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Land Rover Retailer for more information.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Retailer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
