RANGE ROVER

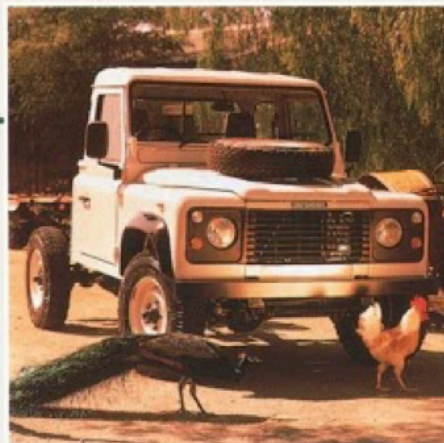

Rover Australia is part of the Rover Group, Britain's largest manufacturer and exporter of cars and four wheel drives. The Rover Group produces half a million vehicles annually with one third being exported to 150 markets around the world.

Today's Rover Group incorporates many of the most famous names from British automobile history. The "Rover" name itself first appeared on an advanced design bicycle in the late 19th century produced by Stanley & Sutton, who later produced the first Rover car in 1904.

After World War II, Rover's engineers designed a rugged, aluminium-bodied four wheel drive vehicle called the Land Rover. It quickly became legendary for its durability and its capabilities in deserts, mountains or jungles. In the late 60's, Land Rover recognised a growing need for a more refined version of this versatile vehicle. The Range Rover was launched in 1970 and was an instant success. It broke new ground, creating a new market category and while others have followed, not one competitor has ever matched it.

To cater for the burgeoning leisure four wheel drive sector, the Discovery was introduced in 1989, offering Range Rover's versatile comfort in a practical and stylish new package. After its highly successful Australian debut, Discovery expanded its range with 5 door and turbodiesel models.

A recent addition to Land Rover's range is the Defender, the latest and greatest version of this motoring legend. 40 years of continuous development have transformed the most capable working vehicle you can buy.

For 1993, Land Rover takes a step closer to 4WD perfection. The Discovery range is expanded with an automatic model and Range Rover now boasts Electronic Air Suspension - the most significant development in off-roading for a decade.

It is no longer enough to just compare Range Rover to other four wheel drive vehicles. Because it has raised the levels of sophistication to a height that all luxury vehicles can only aspire to.

RANGE ROVER SPECIFICATIONS

ENGINE: 3.9 litre, alloy V8.
POWER/TORQUE: 134kW/304Nm
TRANSMISSION: 5 speed manual or 4 speed automatic.
 Permanent four wheel drive.
 High and low transfer ratios.
 Automatically-locking viscous coupling unit in centre differential.
SUSPENSION: Long-travel coil springs all round and automatic rear self-levelling, or Electronic Air Suspension, according to model.
STEERING: Power-assisted.
BRAKES: Power-assisted discs all round, front ventilated.
CHASSIS: Separate box-section, 2mm steel.
BODY: Mostly aluminium alloy panels over steel frame, rubber-mounted on chassis.
WHEELS: 205 R16 reinforced dual-purpose radial tyres on 16x7J alloy wheels.
DIMENSIONS: Length 4450mm
 Width 1813mm Height 1798mm
 Wheelbase 2540mm
WEIGHTS: Unladen mass 1938kg-2025kg
 Gross vehicle mass 2720kg
CAPACITIES: Fuel 81.7 litres
 Load Volume 1.02m³-2.00m³
TOWING:

| | On road | Off road |
|------------------|---------|----------|
| Unbraked trailer | 750kg | 500kg |
| Overrun brakes | 3500kg | 1000kg |
| Coupled Brakes | 4000kg | 1000kg |

Interior courtesy delay lights
 Front map reading lights
 Programmed wash/wipe
 Variable intermittent wipe
 Rear wash/wipe, intermittent wipe
 Headlamp wash
 Anti-theft stereo radio/cassette/CD player
 10 disc remote changer
 4 twin-cone speakers
 Velour cloth upholstery
 8-way adjustable front seats
 Front centre arm rests
 Height adjustable front seat belts
 Leather steering wheel
 Walnut door panels
 Asymmetrically-split folding rear seat
 Loadspace cover
 Remote fuel filler release
 Electric windows
 Cruise control
 Remote control central locking
 Anti-theft alarm
 Electrically-adjustable and heated mirrors
 Centre console box including cup holder
OPTIONAL: Automatic transmission

RANGE ROVER VOGUE PLUS
HAS IN ADDITION:
 Electronic Air Suspension
 Anti-lock braking
OPTIONAL: Automatic transmission

RANGE ROVER VOGUE SE
HAS IN ADDITION:
 Automatic transmission
 Electronic Traction Control
 Electrically-adjustable front seats with 2 position memory, including mirrors
 Connolly leather upholstery
 Electric glass sunroof
 Burled walnut door, fascia and console panels
 4 coaxial speakers plus sub-woofer and speaker amplifier

CUSTOMER CARE ASSIST

Customer Care Assist is your guarantee of help, any time of the day, anywhere in Australia.
 Whether the problem is a breakdown, a flat battery, even just lost keys or out of petrol, our 24 hour hotline will send a mobile unit to help you on your way.
 In certain circumstances towing or vehicle recovery will be arranged and a rental car or accommodation is available.
 For the life of the vehicle's warranty, Land Rover's Customer Care Assist means motoring peace of mind whenever and wherever you are.

IMPORTANT NOTICE

Rover Australia offers this brochure as a general guide to the product specification of the Land Rover Discovery, Defender and Range Rover. All data in this brochure is believed to be correct as at January 1993. However, as development is an on-going process, changes may occur from time to time which are not necessarily shown in this brochure. Rover Australia therefore reserve the right to change specifications without notice. Accordingly this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle. Dealers and distributors are not agents of Rover Australia and have absolutely no authority to bind Rover Australia by any express or implied undertaking or representation. Land Rover Discovery, Defender and Range Rover are distributed by Rover Australia (Incorporated in NSW). Publication No: R-1/93
