BODY COLOUR

Colours are by far the car's most eye catching feature. Autobiography offers unlimited choice so that you can express your individuality and style exactly. Decide on a colour to match an existing car or let your imagination loose and select a colour to suit you.

Exclusively available on the 4.6 HSE and 4.0 SE Auto models, Autobiography offers you a choice of styles to denote your individuality. Extensive development, Quality testing and the latest production techniques in harmony with the time honoured skills of traditional craftsmen will give you that commanding sense of style and control within a supremely finished environment.

Your choice of colour should not be a compromise. It is a true reflection of how you feel about your vehicle. For this reason, the range of exterior colours is unlimited to give you a hand-finished vehicle in the colour of your choice.

The Range Rover you always desired.

To match the dignity and elegance of the exterior, the interior is painstakingly hand-finished in burr-walnut veneer and natural leather selected from blemish free hides to provide you with a car of tangible opulence in a style and colour that you have decided.
