Land Rover
High Capacity Pick-Up

LAND ROVER

LAND ROVER
LAND-ROVER
VDU 962X

A pick-up for all your applications with a pay load of up to 1.3 tonnes.
This vehicle is the latest long wheelbase model to be added to the comprehensive range of Land Rovers.
It is available with two different suspension packages which are optional depending upon your requirements and the type of use for which the vehicle is intended.
3020 kg GVW – This is the high load specification which offers a large payload of **1.3 tonnes** and substantial load area capabilities.
2710 kg GVW – The suspension on this derivative is for the Land Rover owner wanting increased load area and giving a **1 tonne payload.**
The high Capacity Pick-Up has a full width tailgate and localised wheelarches which minimise intrusion into the payload area.
It is available with the 2¼ litre petrol or diesel engine or the 3½ litre petrol engine.
The High Capacity Pick-Up has specific competitive advantages such as :-

- Rust-proof aluminium body.
- Larger body cube.
- Superior payload at 3020 kg GVW.
- Wider cargo bed.
- Lower floor height for easy loading.

PRODUCT FEATURES

Standard 2710 Kg GVW and optional High-Load 3020 Kg GVW.

- Large 'Single-Plane' load area.
- All aluminium rust-proof body.
- Wide, full width tailgate with single-hand operation release levers.
- Localised wheelarches.
- Low loading height.
- Wide cargo bed.
- Ladder rack/Pole carrier.
- Rear lamp protection bars.

Additional features on the High-Load 3020 Kg GVW.

- Massive 1.3 tonne payload.
- Low ratio steering.
- Steering damper.
- High load suspension.

TYRES

The current range of approved tyres are available on the 2710kg GVW version. For the 3020kg GVW High-Load the standard tyre is the Avon Range Ranger. MK2-6 ply.

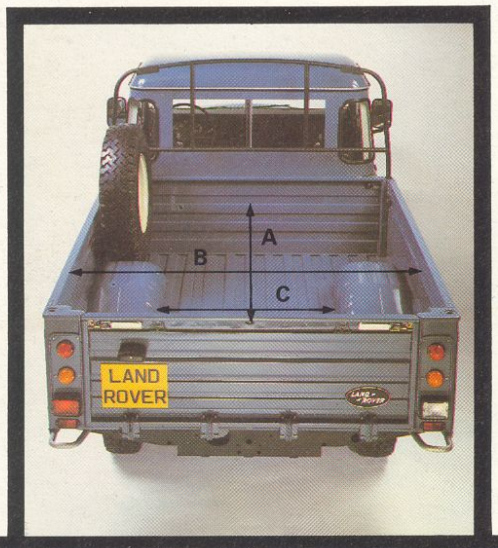
Optional tyres available are:
- Michelin XS.
- Michelin XC4 8 ply radial.
- Michelin XCL.
- Dunlop RTM 8 ply (not V8).
- Avon Range Master Radial

OPTIONAL EQUIPMENT

A wide range of accessories are available to meet all your requirements.

Specific items are:
- ¾ length canvas hood.
- 7 pin trailer socket and plug.
- Mudflaps.
- Towing drop plate/jaw/hook/ball.
- County seats.
- County acoustic trim.
- Cubby box (only in certain markets).

See your local Dealer for a complete list of the options and accessories available.



Bed length A = 2.01m (79")
Bed width B = 1.63m (64")
Bed width C = 0.92m (36")
